A BOOKLOVER'S NEW BEST FRIEND

NO GLARE

WEEKS
OF BATTERY

NO
DISTRACTIONS

THOUSANDS
OF BOOKS

Thin and light for one-handed reading

New—Kindle is 11% thinner and 16% lighter than the previous generation Kindle, making it easy and comfortable to hold in one hand.

No eye strain, reads like real paper

Kindle uses actual ink particles and proprietary, hand-built fonts to create crisp text similar to what you see in a physical book. The blacks and whites on the screen are uniform, improving text and image quality.

No glare in bright sunlight

Unlike reflective tablet and smartphone screens, the high contrast touchscreen display eliminates glare in any setting—even direct sunlight.

Battery lasts weeks, not hours

Kindle doesn't need power to maintain a page of text, allowing you to read for weeks on a single charge.

Unlike tablets, no blue light to disturb your sleep

Recent studies have shown that evening exposure to blue light from backlit screens like tablets and smartphones can suppress the body's production of melatonin, a naturally occurring hormone that helps the body fall asleep. Because the Kindle display emits no light, you can read anytime without losing sleep.

Thousands of books, no distractions

Kindle is designed as a dedicated e-reader. Indulge your love of reading without interruptions like email alerts and push notifications.

Every Kindle E-reader...

Reads like a book...

Kindle Paperwhite

Flip through books while saving your place

Page Flip makes it easy to find pictures, charts, maps and even your notes and highlights from different parts of a book. While you swipe to other pages or zoom out to see page thumbnails, Page Flip automatically saves the page you're reading, pinning it to the side of your screen so you'll never lose your place.

Sharp, dark text

Enjoy text that reads like the printed page. Our fonts, such as Bookerly, have been hand-tuned at the pixel level for maximum readability.

Export and share notes

It's now easy to export notes and highlights from a book to your e-mail, so you can always have them on-hand for reference. Receive your notes both as an easily printable PDF that's ready to bring to your book club, and as a simple file you can open in your favorite spreadsheet app.

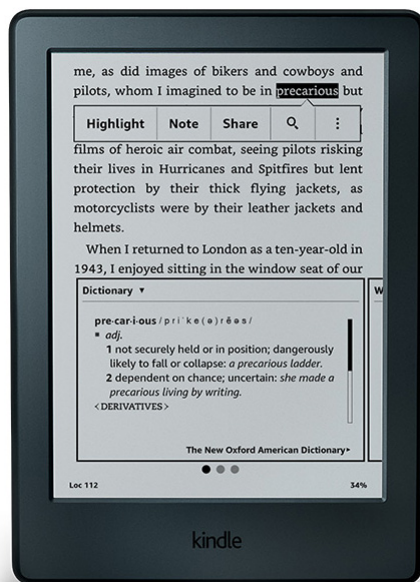

Read comfortably with one hand

Lighter than a paperback, comfortably hold Kindle in one hand for those times when you can't put the book down.

Lose yourself in a book

By design, Kindle is purpose-built for reading and creates a sanctuary so you can lose yourself in a book. Unlike tablets and phones, Kindle doesn't distract you with social media, emails, and text messages

...and goes beyond a book

Kindle

Look it up instantly without leaving your page

Smart Lookup integrates entries from The New Oxford American Dictionary with information from X-Ray and Wikipedia, so you can access definitions, characters, settings, and more without losing your place.

Read more challenging books

Word Wise makes it easier to enjoy and quickly understand more challenging books. Short and simple definitions automatically appear above difficult words, so you can keep reading with fewer interruptions. Tap on a word to bring up a simple card with definitions, synonyms, and more. Available on many popular English language titles.

Build your vocabulary

Words looked up in the dictionary are automatically added to Vocabulary Builder to expand your knowledge and reinforce retention. Swipe through your vocabulary words, quiz yourself with flashcards, and instantly see those words in context.

Pick up where you left off

Share with friends on Goodreads

With Goodreads on Kindle, you can connect with the largest online community of book lovers, see what your friends are reading, share highlights, and rate the books you read. Some Goodreads on Kindle features are only available when connected to Wi-Fi.

X-Ray lets you explore the "Bones of the Book"

See all the passages across a book that mention relevant ideas, fictional characters, historical figures, places, or topics of interest. The X-Ray timeline view lets you easily flip through notable passages to remind yourself of what's happened in the book, or navigate easily through images.

Know how long it will take to finish that last chapter

Time to Read is personalized based on your reading speed, and is constantly updated as your speed and habits change. At a glance you'll know how much time it will take to finish a chapter or book.

In-line footnotes

Whispersync technology synchronizes your last page read, bookmarks, and annotations across all your devices so you can pick up exactly where you left off reading.

Learn more about a book before you start reading

With About This Book, see background information about the author, other books in the series, and more.

Adjust your text size

Choose from eight text sizes to prevent tired eyes and keep you reading longer.

Share your library

With Family Library, you and your family can access and easily share not only your own Kindle books, but also books from the linked Amazon account of a spouse or partner.

With a single tap, read the complete text of each footnote without losing your place in the book

Translate passages instantly

Tap any word or highlight a section to instantly translate it into other languages, including Spanish, Japanese, and more. Translations are provided by Bing Translator.

Massive selection Lowest prices

Lend eligible Kindle books to other Kindle or Kindle app users for up to 14 days. [Learn More.](#)

Connect wirelessly

New titles and archived items are a simple connection away. Connect easily to your home Wi-Fi network or Wi-Fi hotspots on the road.

Find a new favorite with Goodreads

Discover great books with Goodreads on Kindle, an integrated experience that makes it easier than ever to connect and share great reads with friends. Some Goodreads on Kindle features are only available when connected to Wi-Fi.

Kindle Paperwhite

Buy once, read everywhere

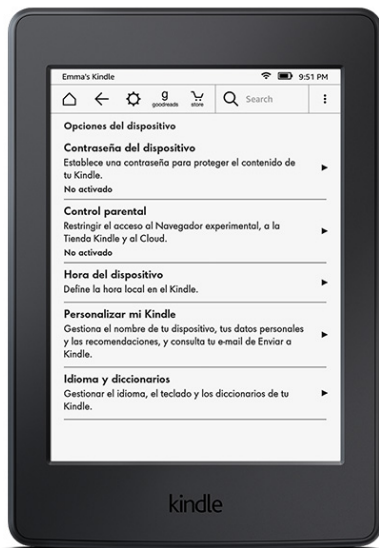

Free Kindle app

Download the Kindle app on your phone, tablet, PC or Mac to keep reading when you don't have your Kindle with you. [Learn More.](#)

Switch devices without losing your place

Amazon's Whispersync technology remembers where you left off in a book, so you can seamlessly switch between your Kindle and the Kindle app on your smartphone, tablet, or computer without ever losing your place.

Plus other features you've come to expect from Kindle

Customize to your language

Kindle can be used in English, Spanish, Brazilian Portuguese, French, German, Italian, Japanese, Russian, Dutch, and Simplified Chinese. You can easily select the language that you are most comfortable with, and enjoy instant dictionary lookups in any of these languages.

Read books in other languages

Kindle supports the display of non-Latin characters, so you can read books and documents in your favorite language, including enhanced support for Japanese and Chinese (Simplified and Traditional). Kindle also displays Korean, Cyrillic, Latin, and Greek scripts, and provides free access to several international dictionaries.

Follow along with page numbers

We match the pages of a Kindle book to the text in a print book to identify the corresponding page

Never lose a book

We automatically back up your entire Kindle library free in the cloud so there's never a worry about losing your books. Re-download wirelessly anytime for free.

Carry and read personal documents

Email documents—including Word, PDF, and more—directly to your Kindle and read them in Kindle format. You can also send documents to Kindle using [Send to Kindle.](#)

Get special offers

Love deals? You'll receive special offers and sponsored lockscreens directly on your Kindle. Offers display on the Kindle lockscreen and on the bottom of the home screen while not in use - they don't interrupt reading.

Organize your books with Cloud Collections

number. Easily reference and cite passages or read alongside others in a book club or class.

Organize your Kindle library into customized collections, or categories, to easily access any book you are looking for. You can add an item to multiple collections to make organizing and finding titles even easier.

Enhanced Search

It's even easier to find what you are looking for by combining and previewing results from your Library, Goodreads, and the Kindle Store on the same page.

It's not screen time— it's book time

Set goals and celebrate with achievement badges

Kids can read books in a simple, fun, and safe environment designed specifically for them with Kindle FreeTime. Kids are rewarded with achievement badges when they reach their reading milestones. A progress report keeps parents updated on total time spent reading, number of words looked up, badges earned, and books read.

Tackle more challenging books

For kids reading their first chapter books, Word Wise, available on many popular English language titles, makes it easier to enjoy and quickly understand more challenging books. Short and simple definitions automatically appear above difficult words, so they can keep reading with fewer interruptions. Tap on a word to bring up a simple card with definitions, synonyms, and more.

Read children's books and comics

Kindle supports children's books with Kindle Text Pop-Up, and comic books with Kindle Panel View which allows you to read a comic book panel by panel.

Kindle FreeTime Unlimited

For as little as \$2.99 per month, kids get unlimited access to hundreds of hand-picked chapter books and early readers, all curated for age-appropriateness, so parents don't have to spend time and money guessing what their kids will enjoy.

Vocabulary Builder

When kids look up words on Kindle, they are automatically added to the Vocabulary Builder on their device. With Vocabulary Builder, they can use flashcards to learn the definitions and usage of words.

Best-in-class parental controls

Parents can have peace of mind that kids won't access inappropriate content or websites, or accidentally make purchases as Kindle FreeTime blocks access to browsing and purchasing in the Kindle Store, access to the Internet, access to Wikipedia, and disables social sharing.

Kindle Paperwhite

Personalize your Kindle

Better together

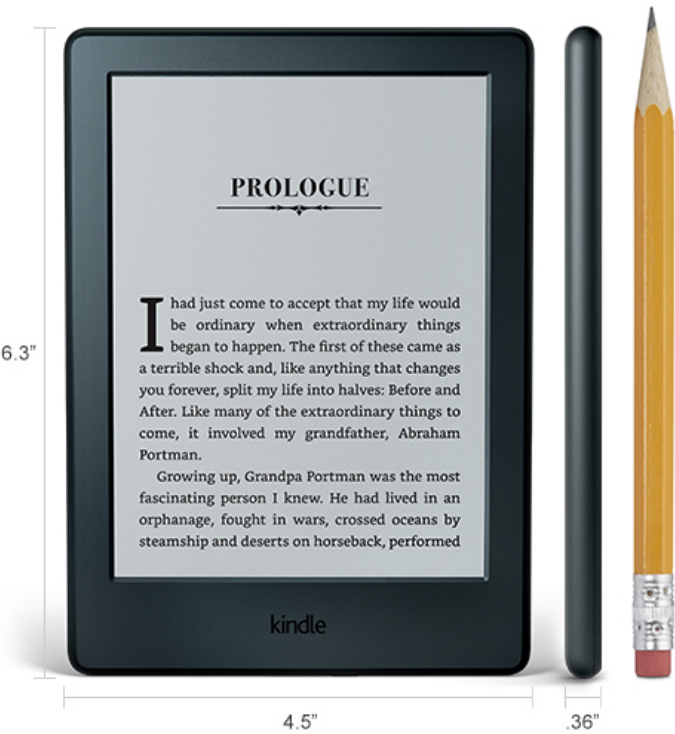

Slim, form-fitting covers designed by Amazon perfectly fit your Kindle and provide full front and back protection. The covers are easy to securely attach and remove, and fold back for easy one-handed reading. They automatically put your Kindle to sleep when it is closed and wake it upon opening, making it easy to jump back into your book.

We've got you covered

A cover crafted from durable polyurethane with a matching nylon woven interior protects your Kindle and keeps your screen clean without adding bulk, making it perfect for taking your Kindle wherever you go. [Learn More.](#)

Question:

Does it have a light? Can i read with it in the dark?

Answer:

This new model doesn't have a front nor a back light that can be used to read in the dark. You will need to have an external light (similar to reading an actual paper book) to read with it in the dark. The statement about not emitting blue light is misleading (making you believe that you still can read in the dark with... [see more](#)

LOVE LOVE LOVE!!!! SO HAPPY!!

By MissOliviaP on August 8, 2016

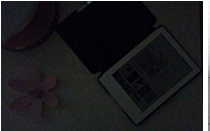

Color: White Offer Type: With Special Offers Verified Purchase

I don't know why there are so many bad reviews. First of, let's start off by pointing out the obvious, it's under \$100. You're not going to receive a Kindle Paperwhite. Before you order, read the specs and compare it to the other Kindles. Yes, the specs say it doesn't have backlighting so honestly, there shouldn't be one ounce of surprise when you receive this. I on the other hand, love this little Kindle. I have had the new Kindle Paperwhite and I really didn't like how big it was to hold in my small hands. I don't have children hands, but I'm a female and my hands are on the small side. Maybe for a male this would be kind of small, ldk. Anyway, it is smaller than the Paperwhite, but I love that. I also love the fact that it doesn't come with a light. I used to read at night with the Paperwhite, but that light gave me a headache so I stopped. It is NOT as dark as these bad reviews make it seem. You can read perfectly fine being indoors. They're exaggerating. This feels more like a book to me than the Kindle Paperwhite ever did. The letters on this Kindle are amazing.

I don't even notice the difference between ppi and I love that the letters are way darker than the Paperwhite. The paperwhite had a grey hue to them and I didn't feel like I was reading a book. I felt like I actually holding a technical device to read a book. Of course since this doesn't have a backlight, you cannot read in the dark.

Color: Black Offer Type: With Special Offers **Verified Purchase**

There are sadly a lot of negative reviews on here, so I though I would add my positive one.

I had a second-generation Kindle many years ago, and it has since stopped working. I finally decided to buy a new one.

I chose the basic Kindle because that's exactly what I wanted -- a bare-bones e-reader. I have no need for a tablet or anything of the sort. This Kindle delivers on that front in every way possible.

At first, I thought I would miss the page turn buttons, and dislike the touch screen. However, I have been delightfully surprised. Tapping the edge of the screen to turn the page is incredibly easy and less intrusive than pushing a button, which was always a nice little jarring reminder that I wasn't, in fact, reading a paperback. The small, quick tap of my thumb on the edge of the screen has become almost like a reflex and I don't notice it anymore; it feels natural.

Perfect for academics!

By [Dina](#) on November 21, 2016

Color: White Offer Type: With Special Offers **Verified Purchase**

I was so shocked! So, I was going through a book for my PhD dissertation, highlighting parts for further citations in my project. When I was done with it, I realised that instead of scrolling back all the pages of my e-book, looking for the highlights, I can just export them to my e-mail in PDF file. This is life changing for me! I have always preferred paper books to e-books, but this option is a miracle. It saved me hours of work! I am a very happy customer!
